Bowling Night

Last week, Gobind Sarvar PAC organised a Bowling night for the entire school community. This was a fun night which was attended by many parents, students, teachers and administration.

During the evening, everyone competed in five pin bowling at the Dell Lanes while pizza and soft drinks were served. There was even a 2 for 1 draw which our very own Harjot (from gr 5) won.

Many congratulations to Harjot for winning and many thanks to the PAC for organizing this fun

Coming up

Thursday 20th December

- Report cards for term 1 issued
- Special assembly - Martyrdom of Chaar Sahibzade.

Friday 21st December

- Parent teacher meetings
- Half Day - students dismissed at 11:30 am

24th Dec - 4th Jan
Winter break

evening for the entire community to come together and enjoy!

Multicultural Day

Last Monday, we celebrated multiculturalism at Gobind Sarvar. Each class was given a country to represent and then each class spent the week talking and researching that country. On Monday, each class brought food representing their country and shared it with others.

We live in a multicultural world and it is very important for our students to understand and respect other cultures as well as our own. We thank the teachers for organizing this and thank the students for their inspiring participation.

Grade 7 Field Trip to the Museum

Monday 7th January

School re-opens after winter break

Full Calendar

Extra-curriculum activities

During the past few weeks, Gobind Sarvar students have been engaged in extra-curriculum activities.

The High School activities take place during extended lunchtimes every Thursday and Friday while the Junior School activities take place during the last two blocks on Fridays.

There are a wide range of activities to choose from ranging from Chess, Arts club, Yoga and basketball.

We encourage each student to take advantage of these activities so that they can learn extra life skills.

Chess Contest

of Vancouver

The Museum of Vancouver had a lot to offer. Although we were there for a few hours, we brought back a lot of knowledge. We learnt a lot about archaeology. We were asked to dig, measure, and study artifacts from different civilizations. When we were digging up the artifacts we felt as if we were archaeologists. We learned about ancient civilizations such as Ancient Rome, Ancient Greece, Mesopotamia, Ancient Egypt, Ancient China, and the Indus Valley. We also learned about mummification. We were given the opportunity to examine a real life mummy, which was a very unique experience. This trip was a very memorable experience.

The Junior School Chess contest has begun. This will be a knock-out contest in which players are randomly chosen to play each other.

As players win, they automatically enter into the next round and play against other winners. The winner of the contest will be the player that won all others that he/she played.

Lets see who our champion will be? We will find out next week!
